

CUSP thematic workshop series Human Risk Assessment of MNPs

Register here: <https://bit.ly/3jmmxJU>

Workshop #1/3

Regulatory insights and knowledge gaps

Tuesday, February 7, 2023 9:00 h

Agenda

9:00 **Welcome and introduction to the CUSP**
Jane Muncke (AURORA) Steffen Foss Hansen (PlasticHeal)

I. POLICY UPDATES

9:10 **EU Regulation on micro and nanoplastics: present action, plans and needs**
Valentina Bertato, Andrej Kobe, DG Environment, European Commission

9:30 **The European Environment Agency (EEA): Informing (plastic) policy through science**
Tobias Nielsen, EEA

9:50 **Summary and reflections**
Birgit Sokull-Kluettgen, Joint Research Centre (JRC)

10:00 Q&A and discussion

10:30 Coffee break

II. UPDATE ON RISK ASSESSMENT

10:45 **European Food Safety Authority (EFSA)'s ongoing and planned activities in the application of New Approach Methodologies for the risk assessment of chemical substances including those at nanoscale**
Maria Chiara Astuto, Irene Cattaneo and Antoine Keng Djien Liem, EFSA.

11:15 **Human exposure to nano- and microplastic particles and implications to human health**
Todd Gouin, TG Environmental Research

11:35 **Summary and reflections**
Alba Hernández Bonilla, Universitat Autònoma de Barcelona (UAB)

12:00 Lunch

III. LOOKING ABROAD AND WITHIN

12:30 **Overview of CUSP activities**
Speakers from all CUSP projects

13:30 Q&A and wrap-up
